

## **This Land is Your Land : Talk & Workshop Information**

### **Window farm workshop**

Come and learn about growing food and flowers at home with hydroponics! Drop in just to have a look or stay for the two hours to help make from start to finish.

### **Tawona Sithole Sadza Demonstration**

Come and sample traditional fayre from Zimbabwe made fresh in the gallery.

### **Kenny Milne Cookery Demonstration**

Join the CCA's Head Chef for a cookery demonstration.

### **West End Transition (WET)**

Learn about the Scottish Transition movement and their own, more local, aspirations for the future.

### **GROW (Garden Revolutions of the West End)**

Find out about GROW's west end community garden project, how to get involved and join in with some practical workshops along with a site visit (5mins from CCA).

### **Streetland**

A review and discussion event on the community and place based creative project, Streetland, against the backdrop of the Glasgow DIY approach to public art.

### **North Glasgow Community Food Initiative**

A community health project run by volunteers with the aim of improving awareness of healthy living in North Glasgow. Come and sample some food!

### **What Will the Harvest Be?**

Join artist Karen Guthrie for a talk about the community garden project in London.

### **Maryhill Integration Network (Music Project)**

*Back and Forth* is a performance exploring forced and unexpected journeys including professional dancers and musicians, asylum seekers, refugees, BME and migrants.

## **CRNS**

A beginner's compost guide including 'Love Food Hate Waste' and some eco-friendly gifts!

## **Swap Shop**

Bring a bag of unwanted clothes and go home with a wardrobe!

## **Glasgow Social Centre Talk**

A discussion highlighting the struggle for land throughout history, including the Palestine conflict and the 'Day out of Time' event.

## **(Untitled) Youth Film Project**

If you're between 10-15, have a phone with a video camera and Bluetooth, and want to try film-making, this is the project for you. Advance booking is essential.

## **Bob Hamilton: City Strolls**

City Strolls explores the direction of the city through the ideas of participants.

## **Seedbombing with Kabloom and the Glasgow Guerilla Gardeners**

Come and learn about Guerilla Gardeners in Glasgow and make seedboms to transform some waste land near you!

## **Wounded Knee**

Analogue synthesizer collective 7VWVWV and voice artist Wounded Knee showcase an entirely original score, specially composed and performed live, to outstanding moments of 'Weir's Way'.

## **Otago Lane**

Community representatives will be discussing their relationships to the land, their forays into the ethics of eco-living and their struggle to show the value of culture and the environment.

## **Bee Talk**

Artist Rebecca Chesney will talk about the great threat to bees and how their disappearance would have a catastrophic effect on nature and humans.

## **Charles Jenck's Garden of Cosmic Speculation**

Join us on a rare visit to one of Scotland's greatest gardens. £10, advance booking essential.
