

# How to borrow seeds from Glasgow Seed Library

Glasgow Seed Library is located in CCA in central Glasgow. The address is: 350 Sauchiehall Street, G2 3JD.

The seed library can be found in the entrance foyer of CCA on the left hand side.

You will see a blue cabinet with two doors and two drawers.

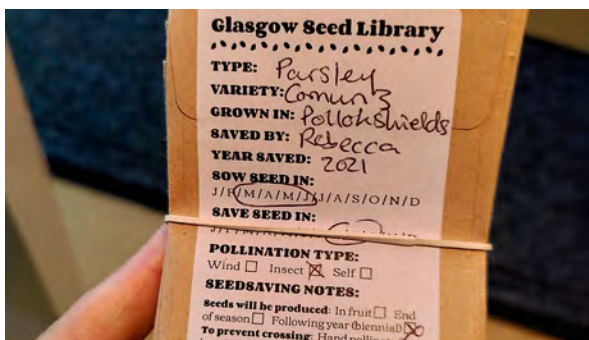

Please use the hand sanitiser before and after opening the cabinet.

Inside the cabinet you will find lots of boxes and jars of seeds.

Each jar has a label on it, listing the kinds of seeds inside.

Inside the jars are seed packets. Each packet has information about the seeds, and how to grow and save them.

If you have seeds to deposit, you can put them in this box. Place them in a sealed container with a note of the variety and your details.

When you have chosen your seeds or deposited seeds, write down the details in the logbook on top of the cabinet.

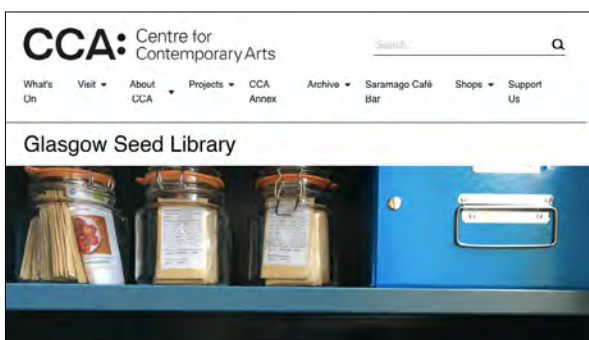

You can now take your seeds home to sow and germinate!

You can learn more about seed saving by joining free workshops and online talks.

You can also meet other seed borrowers by joining regular Seedy Socials or Field Days.
